## Monte Carlo Legends

**The Rally Monet Carlo (from 1911 till today) – Wednesday 12<sup>th</sup> March, 2014, 7-8.30 pm**

The **Monte Carlo Rally** is a rallying event organised each year by the *Automobile Club de Monaco*. The rally now takes place along the French Riviera in the Principality of Monaco and southeast France. Previously, competitors would set off from all four corners of Europe and ‘rally’, in other words, meet, in Monaco to celebrate the end of a unique event. From its inception in 1911 by Prince Albert I, this rally, under difficult and demanding conditions, was an important means of testing the latest improvements and innovations to automobiles. Winning the rally gave the car a great deal of credibility and publicity.
