Constitution of F1-RE Centre

The F1-RE Centre will annually present two **F1 Functionability Awards** comprising of titles:

- The **F1 Driver Functionability Champion**
- The **F1 Team Functionability Champion**

The Awards are based on the corresponding F1 Functionability Tables, which are produced by the F1-RE Centre of the MIRCE Akademy, UK, based on the publicly available, FIA organised, Formula 1 World Championship data.

Formula 1

Research & Education Centre

Constitution of F1-RE Centre

The F1-RE Centre defines the F1 Team's Functionability as:

“The ability of the Team to successfully complete all F1 Grand Prix Races in the FIA conducted F1 World Championship season.”

The F1 Team Functionability Champion

will be awarded to the Team(s) which is placed on the top of the MIRCE F1 Functionability Table for Teams, produced by the F1-RE Centre, at the end of the each season.

Constitution of F1-RE Centre

The F1-RE Centre defines the F1 Driver's Functionability as:

“The ability of the Driver to successfully complete all F1 Grand Prix races in the FIA conducted F1 World Championship season.”

The F1 Driver Functionability Champion

will be awarded to the Driver(s) who is placed on the top of the MIRCE F1 Functionability Table for Drivers, compiled by the F1-RE Centre.
